FOR IMMEDIATE RELEASE

San Ramon Valley Teachers Endorse Student Champions for School Board

*Incumbents Proven to Be Tireless Advocates for Students and
Educators*

SAN RAMON – The San Ramon Valley Education Association (SRVEA) unanimously endorsed two champions for San Ramon Valley Unified School District (SRVUSD) students, Shelley Clark and Laura Bratt, for the SRVUSD 2024 school board election. Clark and Bratt have served valiantly on the SRVUSD Board of Education since 2020. Since serving on the board, Clark and Bratt have:

- **Prioritized retaining and attracting qualified educators to the district.**
- **Eliminated the “Me Too” clause for the superintendent and assistant superintendent.**
- **Defended students’ freedom to learn.**
- **Advocated for special education students.**

“San Ramon Valley teachers are advocating and supporting what is best for our students and the future of our schools and community,” said SRVEA President Laura Finco. “We’ve done our homework, and know that Clark and Bratt are tireless in their efforts to partner with our community and teachers in ensuring that every SRVUSD student has access to quality education every day.”
